

Dear Prospective Student,

On behalf of Above & Beyond Counseling Academy, I would like to thank you for your interest in our academic **Clinical Counseling Degree Programs**.

We are a Certified Academic Institution for the National Christian Counselors Association and offer **NCCA Licensing, Masters and PhD degree** programs in **Clinical Christian Counseling** from several leading seminaries. We have programs for all levels of previous education and age/background of each applicant. We can also assist you with ordination. Upon graduation, you will be **licensed as an NCCA counselor** and equipped to counsel!

Each field of study is:

- Self-paced and may be done at your own speed! You should attempt to complete one course every six to eight weeks.
- Paid for as you go along using a module-based tuition schedule.
- You can do the courses online or via books/DVDs sent directly to your home! The choice is yours... same pricing applies!
- Tests are done online proctored at your location and sent here for grading.

The Body of Christ is in dire need of qualified, concerned and committed counselors. I pray that you are fulfilling God's call on your life if you embark on this path and will assist you in any way I can.

Please review the attached information. You may reach me at (800)264-6236 or email at don@aandbcounseling.com with any questions.
